

Electronics recycling, document shredding event is Oct. 15

The Richardson Citizens Police Academy Alumni Association (CPAAA) will hold an electronics recycling and document shredding event Oct. 15 from 9 a.m.-1 p.m. in the City Hall/Civic Center south parking lot at 411 W. Arapaho Rd. Approach the area by going south on the Central Expressway service road and turning right (west) on Belle Grove, toward the post office. Then turn right (north) on Civic Center Drive.

Acceptable electronics for recycling include:

- **Personal and Home Electronics**—phones, GPS devices, calculators, MP3 players, PDAs, radios, cable/satellite receivers, VCRs, DVD player/recorders, remote controls, speakers, digital and NON-disposable film cameras, etc. **CRT TVs or computer monitors CANNOT be accepted.** Flat screen monitors and televisions are OK.
- **Home Office Equipment**—desktop computers, speakers, printers, inkjet/laser cartridges, keyboards/mice, routers, copiers, fax machines, scanners, shredders, typewriters, etc.
- **Automobile Electronics**—radios, DVD players, speakers, etc.

NO Hazardous waste items will be accepted. This includes, but is not limited to, batteries, paint, cleaners and fluorescent bulbs. You may visit the Richardson website at www.cor.net/hhw for more information on hazardous waste disposal.

Personal shredding will be limited to what can fit into a car. Your documents will be destroyed on site, safely and securely by a commercial shredding company.

There is no charge to drop off your unwanted electronic items and personal shredding for recycling, but donations are encouraged for the CPAAA, a 501(c)(3) tax deductible charitable organization.

Your donations are used to provide general support to the Richardson Police Department employees, their families, and provide college scholarships for their children.

Please be generous as this event, offered twice a year, is the only fund raising event for the CPAAA. These events are intended for the disposal of household electronics and shredding. Prior to accepting commercial quantities, a fair donation will be agreed upon. For shredding, the charge will be \$4 per file storage box or equivalent.
